All proceeds from the event will be used to rehabilitate injured and orphaned raptors.

BIRDS OF PREY FOUNDATION

We are a non-profit 501(C)(3) organization whose mission is:

- ◆ treating injured and orphaned wildlife, primarily raptors, such as eagles, hawks, falcons and owls and returning healthy members of the breeding population to their natural habitat
- ◆ fostering compassion for wildlife in distress and teaching new generations through mentorships, internships, lectures, and volunteer programs
- ◆ working to continuously improve the quality of care and housing of captive raptors everywhere through education; observation, invention and exemplary ethics in their treatment and husbandry
- ◆ seeking protection for raptors in the wild through education, invention and intervention.
